

# **Experimental Studies**

## **Eucalypt**

Effects of Slash and Litter Management Practices on Soil Chemical Properties and Growth of Second Rotation Eucalypts in the Congo

*P. Deleporte, J.P. Laclau, J.D. Nzila, J.G. Kazotti, J.N. Marien, J.P. Bouillet, M. Szwarc, R. D'Annunzio and J. Ranger*

5

Impact of Site Management Practices on Growth of Eucalypt Plantations in the Monsoonal Tropics in Kerala, India

*K.V. Sankaran, D.S. Mendham, K.C. Chacko, R.C. Pandalai, P.K.C. Pillai, T.S. Grove and A.M. O'Connell*

23

Effects of Site Management on Tree Growth, Aboveground Biomass Production and Nutrient Accumulation of a Second-rotation Plantation of *Eucalyptus urophylla* in Guangdong Province, China

*D.P. Xu, Z.J. Yang and N.N. Zhang*

39

Soil Fertility and Growth of *Eucalyptus grandis* in Brazil under Different Residue Management Practices

*J.L.M. Gonçalves, M.C.P. Wichert, J.L. Gava and M.I.P. Serrano*

51

Effects of Slash and Site Management Treatments on Soil Properties, Nutrition and Growth of a *Eucalyptus grandis* Plantation in South Africa

*B. du Toit, S.B. Dovey and C.W. Smith*

63

Impacts of Inter-rotation Site Management on Soil Nutrients and Plantation Productivity in *Eucalyptus globulus* Plantations in South-Western Australia

*D.S. Mendham, T.S. Grove, A.M. O'Connell and S.J.Rance*

79

## **Acacia**

Effects of Inter-rotation Management on Site Productivity of *Acacia mangium* in Riau Province, Sumatra, Indonesia

*S.T.H. Siregar, Nurwahyudi and Mulawarman*

93

Inter-rotation Site Management, Stand Growth and Soil Properties in <i>Acacia mangium</i> Plantations in South Sumatra, Indonesia E.B. Hardiyanto and A. Wicaksono	107
Site Management and Productivity of <i>Acacia auriculiformis</i> Plantations in South Vietnam Vu Dinh Huong, Le Thanh Quang, Nguyen Thanh Binh and Pham The Dung	123
<b>Conifer</b>	
Inter-rotation Management Impacts on Growth and Soil Properties in Hybrid Pine Plantations on Sandy Soils in Subtropical Australia T.E. Smith, D.O. Osborne and J.A. Simpson	139
Effects of Site Management on Growth of a Second-rotation Chinese Fir ( <i>Cunninghamia lanceolata</i> ) Plantation Fan Shaohui, Liao Zuhui, Peng Longfu, Yang Xujing, He Zongming, He Zhiying and Lin Sizhu	149
<b>Mixed-species</b>	
Mixed-species Plantations of <i>Acacia mangium</i> and <i>Eucalyptus grandis</i> in Brazil J.P. Bouillet, J.P. Laclau, J.L.M. Gonçalves, M.Z. Moreira, P. Trivelin, C. Jourdan and A. Galiana	157
<b>Synthesis</b>	
Slash and Litter Management Effects on <i>Eucalyptus</i> Productivity: a Synthesis Using a Growth and Yield Modelling Approach L. Saint-André, J-P. Laclau, P. Deleporte, J. L. Gava, J. L. M. Gonçalves, D. Mendham, J. D. Nzila, C. Smith, B. du Toit, D.P. Xu, K.V. Sankaran, J.N. Marien, Y. Nouvellon, J-P. Bouillet and J. Ranger	173
Soil Properties in Tropical Plantation Forests: Evaluation and Effects of Site Management: a Summary A. Tiarks and J. Ranger	191
Increasing and Sustaining Productivity in Tropical Forest Plantations: Making a difference through cooperative research partnership E.K.S. Nambiar and M.H. Kallio	205
